

## About Us

### We Provide Quality Nursing Care Services

Treasure Vince care is a registered Home Care Agency providing a range of care and support services to adults in their own homes and in the community.

Treasure Vince provides high-quality care and support in the client's home. We provide personal care and person-centred services tailored to individual service users.

## Our Care Workers

All our Care workers are experienced, fully trained and thoroughly vetted to ensure that you have the right person. They possess unquestionable honesty, genuine care and passion about their work.

## Our Services

### Personal Care

Our professional and compassionate staff members work closely with our clients to understand their unique needs and preferences, and create a personalised care plan that meets those needs.

### Social Care

We understand that social care is an essential aspect of maintaining a healthy and fulfilling life and aim to ensure that everyone has access to services that meet their unique needs.

### Domestic Care

We offer regular cleaning and maintenance, laundry services, shopping and running errands, meal preparation, and companionship. Our staff is security-vetted and fully insured to assure our clients' peace of mind.
